Matters within the Board's scope of authority include, but are not limited to, personnel selection, employee status, discrimination and affirmative action. #### 30. CAREER EXECUTIVE ASSIGNMENT (CEA) CATEGORY ACTIVITY

This section of the Agenda serves to inform interested individuals and departments of proposed and approved CEA position actions. The first section lists position actions that have been proposed and are currently under consideration. Any parties having concerns with the merits of a proposed CEA position action should submit their concerns in writing to the Classification and Compensation Division of the Department of Personnel Administration, the Consulting Services Division of the State Personnel Board, and the department proposing the action. To assure adequate time to consider objections to a CEA position action, issues should be presented immediately upon receipt of the State Personnel Board Agenda in which the proposed position action is noticed as being under consideration, and generally no later than a week to ten days after its publication. In cases where a merit issue has been raised regarding a proposed CEA position action and the dispute cannot be resolved, a hearing before the five-member Board may be scheduled. If no merit

issues are raised regarding a proposed CEA position action, and the State Personnel Board approves it, the action becomes effective without further action by the Board. The second section of this portion of the Agenda reports those position actions that have been approved. They are effective as of the date they were approved by the Executive Officer of the State Personnel Board.

#### SPB Board Item

Date: November 3, 2008

TO: State Personnel Board

FROM: Career Executive Assignment Task Force

REVIEWED BY: Mike Strazzo, Merit Operations Division, Chief

RE: Career Executive Assignment (CEA) Process Changes

#### REASON FOR HEARING

The CEA Task Force recommends full implementation of the changes to the process used to allocate positions to the CEA category that were piloted with a limited number of state departments since May 2008. This hearing is to allow interested parties to provide input to the Board before it makes a decision on the Task Force's recommendation.

#### ISSUE:

The need to reform the CEA request process was one of the priority items identified at a meeting held in July 2007, with the Department of Personnel Administration (DPA), HR Modernization (HR MOD), departmental representatives, and the State Personnel Board (SPB). As a result, the CEA Task Force was convened in September 2007, with the charge to evaluate various aspects of the CEA process and develop short and long-term recommendations.

Beginning May 1, 2008, SPB, DPA, and 16 departments implemented a pilot test of a streamlined CEA request process and form. The purpose of the pilot was to determine if the new process was simpler and faster while providing the information needed to make timely CEA decisions. The new process consolidates the information previously collected from the Justification Memorandum, Key Position Description, and Data Input Form into the streamlined CEA Position Request Form. The pilot was successful based on positive feedback received from the pilot departments.

NEW PROCESS: The new CEA Position Request Form and detailed instructions are attached. If adopted, departments will begin using the new CEA process and CEA Position Request Form for all new CEA requests. SPB and DPA will continue to process any CEA requests which have already been submitted. Under the new process, all CEA Position Request Forms are simultaneously submitted electronically to SPB and DPA. When sufficiently documented, CEA

Position Request Forms will normally be processed within 30 calendar days of receipt.

Staff Personnel Program Analyst

Department of Personnel Administration

REVIEWED BY: Belinda Collins, Chief

Classification and Compensation Division Department of Personnel Administration

SUBJECT: Revisions To The Alternate Range Criteria For Housing and

Community Development Representative I, Disability Evaluation Analyst, Tax Compliance Representative, Assistant Loan Officer,

Program Evaluator, CalPERS

#### **SUMMARY OF ISSUES:**

Proposed revisions to Alternate Range Criteria 101, 148, 298, 367, and 429, affiliated with department specified classes for various departments. The proposed revisions are patterned after the recent changes made to Staff Services Analyst (General) Alternate Range Criteria and will allow for the effective recruitment of college graduates.

#### **CONSULTED WITH:**

Joey Herrera, Department of Personnel Administration
Barbara Hudson, Department of Personnel Administration
Daphne Baldwin, State Personnel Board
Jeffrey Sears, Housing and Community Development
Colleen Kirtlan, Department of Social Services
Pat Lujan, Employment Development Department
Lavonne Coen, Health Care Services
Susan Serrano, California Integrated Waste Management Board
Wendy Wilson, California Highway Patrol
Elena Romano, CalPERS

In accordance with the terms of the DPA/SEIU contract, DPA has notified the union in writing of this proposal. SEIU has agreed to place this item on the consent calendar.

#### **CLASSIFICATION CONSIDERATIONS:**

On July 10, 2007, the State Personnel Board adopted revisions to the Staff Services Analyst (General) class to allow for the effective recruitment of college graduates. This

item proposes similar revisions to Housing and Community Development Representative I, Disability Evaluation Analyst, Tax Compliance Representative, Assistant Loan Officer, and Program Evaluator, CalPERS to enhance the recruitment of college graduates. It is critical the Departments maintain these classifications because the duties performed and the education required are essential to the work performed.

Specific changes include the following:

Amend the Alternate Range Criteria (ARC) for Housing and Community Development Representative I, Disability Evaluation Analyst, Tax Compliance Representative, Assistant Loan Officer, and Program Evaluator, CalPERS to enhance recruitment of college graduates.

The revised ARC patterns closely correspond to the Staff Services Analyst (General) classification. The exception is Range B of ARC 298 proposed for Tax Compliance Representative. The proposed criteria for Tax Compliance Representative identifies twelve months versus six months of outside experience found in the Staff Services Analyst (General) ARC, Range B.

Current Minimum Qualifications (MQ's) in Pattern III for the Tax Compliance Representative class requires one year of experience and equivalent to completion of two years of college (additional experience may be substituted on a year-for-year basis). Current Tax Compliance Representative ARC Range B requires one year of experience in another governmental agency. Therefore, the Department proposes to retain the one year of experience for movement to Range B in order to maintain consistency with the current MQ's and ARC.

#### **RECOMMENDATIONS:**

Effective December 2, 2008, the following recommendations are adopted by the State Personnel Board.
